KEY

- 2020/21 road work areas
- 2022 road work areas
- - - Local Government area boundary

Reconstruction works are occurring across multiple Gold Coast, Scenic Rim and Logan Council roads following heavy rain in December 2020, March 2021 and February 2022. Reconstruction works include pavement rehabilitation and slope stabilisation.

Motorists can be kept informed of traffic changes via regular updates on TMR's traffic and travel information website www.QLDtraffic.qld.gov.au

Eligible reconstruction works are jointly funded by the Australian and Queensland governments under the Disaster Recovery Funding Arrangements (DRFA).
