11.1 The State may enter into post-Application discussions with an Applicant.

11.2 The State may interview an Applicant in relation to its Application. The Applicant should be represented at the interview by personnel who are authorised to make decisions on behalf of the Applicant and who are conversant with all technical, financial and conditional details of the Application and Agreement, as applicable.

11.3 The State may seek further information from the Applicant in writing (e.g. letter, email or facsimile). Any information provided by or on behalf of the Applicant verbally must promptly be confirmed in writing if so required by the State.

11.4 Any amendment to the Application occurring as a result of post-Application discussions or as a result of a request for further information or clarification between the Parties, which is documented in writing, will form part of the Application.

12. SUCCESSFUL APPLICANT

12.1 If the State accepts an Application, the State will:

- (a) register the Applicant as a Prequalified Applicant on the Register; and
- (b) notify the Applicant of its registration as a Prequalified Applicant.

12.2 The success of an Application does not guarantee that the Prequalified Applicant will be offered an Agreement by the State at any time.

13. UNSUCCESSFUL APPLICANTS

13.1 Unsuccessful Applicants will be notified by the State, in writing, that their Application has been unsuccessful.

13.2 An unsuccessful Applicant may not submit a further Application within 6 months from the date the State notified it that it was unsuccessful unless a lesser period is agreed to by the State in writing.

14. DECISION AND DEBRIEFING

14.1 All Applicants, whether successful or unsuccessful may seek feedback from the Contact Officer at the completion of the Application Process.

14.2 A feedback or debriefing session shall be an opportunity to provide a successful or unsuccessful Applicant with information that may assist the Applicant to improve any further Applications submitted to the State. The feedback or debriefing session is not an opportunity to discuss the outcome of the evaluation of Applications nor the relative merits of any other Application submitted.

14.3 The State will not enter into any correspondence, oral or written, about its selection decision(s).

15. PREQUALIFIED APPLICANTS

15.1 If the State decides to enter into an Agreement with a new Approved Service Provider the State will:

- (a) if there is only one Prequalified Applicant on the Register offer that Prequalified Applicant an Agreement; or
- (b) if there is more than one Prequalified Applicant on the Register re-assess all Prequalified Applicants on the Register in accordance with the evaluation process in clause 9 and any other relevant criteria made known to the Prequalified Applicant prior to the time of reevaluation, before making its decision to offer an Agreement to one of the Prequalified Applicants.

15.2 Where clause 15.1 applies, a Prequalified Applicant may be required to resubmit their Application for evaluation or confirm the currency of their previously submitted Application.

15.3 The offer of an Agreement by the State to a Prequalified Applicant is at the State's absolute discretion. The State may offer an Agreement to one, multiple or no Prequalified Applicants. The State will issue a letter of offer to a Prequalified Applicant to which it is offering an Agreement.

15.4 If the State notifies a Prequalified Applicant that it will not be offered an Agreement before expiry of the Arrangement Period the State will remove the Prequalified Applicant from the Register.

15.5 A Prequalified Applicant may request the State to remove it from the Register at any time.

16. RIGHT TO INFORMATION AND DISCLOSURE

16.1 The Right to Information Act 2009 (RTI Act) provides members of the public with a legally enforceable right to access documents held by Queensland Government agencies.

16.2 The RTI Act requires that documents be disclosed upon request, unless the documents are exempt or on balance, disclosure is contrary to the public interest. Information contained in an Application is potentially subject to disclosure to third parties.

16.3 If disclosure under the RTI Act, and/or general disclosure of its Application or part thereof, would be of substantial concern to an Applicant because it would disclose trade secrets, information of commercial value, the purpose or results of research or other information of a confidential nature, this should be indicated in the Application. The State cannot guarantee that any information provided by the Applicant, including information that is identified by the Applicant in the Application, will be protected from disclosure under the RTI Act.

16.4 The State is entitled to publish on the Department of Transport and Main Roads website (www.tmr.qld.gov.au) or by any other means, the following details:

- (a) the name and address of the State;
- (b) a description of the Easy Business Support Services;
- (c) commencement date and term of an Agreement; and
- (d) name and address of an Approved Service Provider.

16.5 Any proposed variation by the Applicant to clause 16.4 which take away or reduce the entitlements that would otherwise be provided to the State under that clause will be null and void.

16.6 Information regarding the RTI Act can be obtained via www.qld.gov.au/right-to-information.

SCHEDULE

OUTLINE OF APPLICATION & AGREEMENT PROCESS

The State operates the Rego Easy Scheme – Easy Business option which allows Customers to perform limited online vehicle registration transactions. ASPs develop software interfaces for Customers to interact with the State’s systems via data transfer services provided by the State. ASPs also provide other Easy Business Support Services to Customers to support transaction processing.

ASPs enter into commercial agreements with Customers for the provision of Easy Business Support Services. However, to provide Easy Business Support Services to Customers, ASPs require certain services and support from the State. The State will only provide those services and support to ASPs who have entered into an Agreement with the State.

The State currently has Agreements in place with ASPs. The Agreements are for 3 years with the next full term to commence on 1 July 2021 and end on 30 June 2024. Prior to expiry of these Agreements, the State will review the Easy Business Service Provider arrangement and adopt a suitable process for engaging ASPs for the next full 3 year term.

This process will involve the State maintaining a register of Prequalified Applicants, conducting periodic reviews of its requirements and engaging ASPs on an as needed basis. The proposed timeframes for this process are outlined below and will recur every 3 years from 1 July 2024.

Time frame	Stage	Action
1 July 2021 to 30 June 2024	Period of 3 year term of Agreements	ASPs deliver Easy Business Support Services.
1 July 2021 to 31 December 2023	Receipt of applications for prequalification	Applications for prequalification as an ASP received by the State in this period. The State will assess applications and register any successful Applicants on the Register of Prequalified Applicants.
1 January 2024 to 30 June 2024	Assessment of Easy Business Arrangement	The State will assess its future requirements for Easy Business Support Services and may select from the Register those Prequalified Applicants with whom it desires to enter into an Agreement. Agreements will be finalised and ASPs will be engaged for the next full 3 year term commencing 1 July 2024. Applications for prequalification as an ASP received by the State in this period will be held over for assessment after the commencement of the next 3 year term on 1 July 2024.
